

2023 Summer Dance Intensive

Is your dancer interested in being a part of the Dance, etc! competition teams? The summer dance intensive will help them prepare. Dancers will be given assessments, which will include things to work on that competition judges look for. Competition groups will be chosen from performance line auditions at the end of summer. 2023-24 solo/duo/trio dancers will be chosen from the intensive. This year, we will monitor summer attendance before inviting solo/duo/trio dancers in July. Competition groups are separate from performance lines (minis, stars, Teen line, etc), - competition members are required to be on a performance line.

Cost: Newbie camp: \$100- dancers age 5-7. Session A: \$100- dancers age 8-12. Session B:\$170 dancers in 7th grade+. *Newbie dancers will have a break from 4:50-5:00. You can send snacks (nut free please)
